ADVISORY NO. 32
Series of 2019

FOR : **LICENSED MANNING AGENCIES**
SUBJECT : **2018 and 2019 Seafarers Deployment Report**

The POEA deployment report is sourced from the Bureau of Immigration's (BI) generated data of workers leaving via international airports and such data is being matched with the number of processed Overseas Filipino Workers. Preliminary report shows that only eighty-eight percent (88%) of those seafarers processed by POEA were deployed.

Seafarers who exited thru our local seaports are not accounted for in the BI report.

For the Administration to get more accurate deployment statistics for year 2018, may we request all licensed manning agencies to submit their report of the seafarer's departure from any **Philippine seaports** by providing the following information **on or before 31 October 2019**:

| Name of Seafarer | Position | Type of Vessel | Flag of Registry | Location/Place of Departure | Date of Deployment | OEC Number |
|------------------|----------|----------------|------------------|-----------------------------|--------------------|------------|
|------------------|----------|----------------|------------------|-----------------------------|--------------------|------------|

Likewise, may we request that a similar report for the year 2019 be also submitted on or before 15 January 2020.

For the succeeding years, we require all manning agencies' monthly submission of their deployed crew who exited via seaport.

All reports shall be forwarded to the Seabased Employment Accreditation and Processing Center, Mezzanine Floor, BFO Building, Mandaluyong City for monitoring/validation purposes.

For compliance.
