ADVISORY No. 174
Series of 2020

New Entry Restrictions for Foreign Nationals to Japan

The government of Japan has suspended the entry of foreign nationals to Japan effective 28 December 2020 to the end of January 2021. For the time being, foreign nationals who have stayed in 152 countries/regions which includes the Philippines, within 14 days prior to the application for landing are denied to enter Japan, pursuant to the Article 5, paragraph (1), item (xiv) of Immigration Control and Refugee Recognition Act.

The decision is brought about by the detection of several cases of the new, more contagious COVID-19 strain in the country.

For the information and guidance of all concerned.
