

ADVISORY NO. 64
Series of 2021

**SINGAPORE'S ADDITIONAL RESTRICTIONS UNDER PHASE 2
(HEIGHTENED ALERT) TO MINIMIZE TRANSMISSION**

The Multi-Ministry Taskforce of Singapore announced additional measures and restrictions under Phase 2 (Heightened Alert) to minimize the swift transmission of the novel corona (COVID-19). These are additional measures to those that were earlier announced on 4 May 2021.

To reduce risks of community transmission, indoor "mask-off" activities such as dine-in F&B establishments will cease. Other activities which will also not be allowed during this period include strenuous indoor exercise class or strenuous individual and group indoor sports and exercise activities. In addition, personalized services which require masks to be removed (e.g. facials and saunas), singing, and the playing of instruments that require intentional expulsion of air (e.g. wind or brass instruments) will also not be allowed.
