4,744 Filipinos pass Korean Language Test

The Philippine Overseas Employment Administration congratulates the 4,744 Filipino applicants who passed the Test of Proficiency in Korean (TOPIK) or previously called Korean Language Test (KLT). The passers represent 46 per cent of the total 10,262 examinees last November 14, 2010.

Melanie M. Maninang and Charito V. Caballero, who took the examination in Bacolor, Pampanga both got a perfect score of 200 points.

The 7th KLT was also conducted in Manila, Baguio City, Cebu City and Davao City.

The names of test passers, those who scored 80 points and above are now in the POEA website www.poea.gov.ph and www.eps.go.kr/ph, the website of EPS Korea.

The passers are reminded to immediately submit to the POEA their fit-to-work medical certification from any DOH-accredited clinic for their names to be included in the List of Jobseekers for EPS-Korea. ###
