Warning on bogus POEA employee

The Philippine Overseas Employment Administration warns the public against having any transaction with a certain “Lim, Sandra M.” who presents herself as an assistant supervisor at the POEA.

The POEA has no official or employee by the name of Sandra M. Lim in its record of personnel.

An employer in Australia reported that he received a letter from Lim apparently collecting payment for visa fee and other travel documents of an applicant worker using the banner of the POEA website as letterhead and a google mail account.

The official email address of the POEA is info@poea.gov.ph.
