UAE needs 300 emergency medical technicians

The Philippine Overseas Employment Administration yesterday announced that the National Ambulance Company in Abu Dhabi, United Arab Emirates is in urgent need of 300 Filipino emergency medical technicians (EMTs).

Administrator Hans Leo J. Cacdac said representatives of the medical service company are coming to the Philippines to interview qualified applicants on March 7 to 11, 2016.

The company accepts female or male applicants that are graduates of Bachelor of Science in Nursing but they should not be more than 45 years old. Candidates should have completed internationally recognized Basic EMT course or equivalent training with minimum of four (4) weeks duration, and have at least 8 months experience as EMT.

Cacdac advised applicants to register at www.eregister.poea.gov.ph and personally submit to the Manpower Registry Division, Window T, Ground Floor, Blas F. Ople Bldg., Ortigas Avenue corner EDSA, Mandaluyong City the following requirements:

- Detailed résumé with job description
- High school diploma and Form 137
- College diploma and transcript of records
- Valid BLS and BTLS certification
- PSEMT or AREMT registration covering at least the last 8 months
- Letter of good standing from the registering body
- Updated letter/employment certificates showing experience as an EMT-B covering at least the last 8 months
- Colored copy of passport
- Colored copy of valid driver's license

- Two (2) pieces 2x2 recent picture
 - clear copy with white background
 - colored top (polo) / with collar
 - neat / masculine haircut, for male candidate
 - face should not be covered with hair (male and female)
 - teeth should not be shown

Applicants are required to present their original documents for authentication.
