News Advisory 21 April 2017

Recruitment agencies ordered to increase capitalization

The Philippine Overseas Employment Administration directed licensed recruitment and manning agencies to comply with the first yearly increase in paid-up capital as mandated by the 2016 POEA Revised Rules and Regulations Governing the Recruitment and Employment of OFWs.

Section 2 Rule I Part II provides that "... those with existing licenses, shall, within four (4) years from effectivity thereof, increase their capitalization or paid up capital, as the case may be, to Five Million Pesos (PhP5,000,000.00) at the rate of Seven Hundred Fifty Thousand Pesos (PhP750,000.00) every year."

The recruitment and manning agencies were ordered to submit as proof of compliance for the yearly increase of capitalization.

For corporations and partnerships:

- Treasurer's Affidavit on the additional authorized subscribed and paid-up capital stock requirements/Joint Affidavit of partners on the additional partners' contribution;
- 2. Bank certification showing an additional deposit of at least PhP750,000.00, with authority to examine the bank account;
- 3. Amended Articles of Partnership/Incorporation providing for the increase of the authorized/paid-up capital to a minimum of Five Million Pesos (PhP5,000,000.00); and
- Certification issued by the Securities and Exchange Commission (SEC) on the current paid-up capital of the corporation/partnership showing the increase of at least PhP750,000.00.

For single proprietorship: Bank certificate showing a deposit of at least PhP750,000.00, with authority to examine the bank report.

The POEA has set the deadline for the submission for the yearly increase for landbased agencies on or before April 28, 2017. For the manning agencies, the deadline is on or before September 4, 2017.

Agencies also were directed to subsequently comply with the yearly increase of PhP750,000.00 until the minimum capitalization of PhP5,000,000 is fully completed.

On the other hand, agencies that have fully complied with the required capitalization were directed to submit a certification issued by the Securities and Exchange Commission (SEC) on the present paid-up capital of the corporation or partnership, or the bank certificate, in case of single proprietorship.

Agencies that fail to comply with the requirement shall be meted with suspension of license in accordance with Section 41c/Section 42c, Rule III Part II of both POEA Rules. /END
